

## Community Survey

As part of this year's Stewardship Campaign, you are invited to complete this two-part survey.

The information in Part 1 will be used to bring the Cathedral's records of parishioners and supporters up to date, and as such, it identifies you specifically. If you are receiving this survey from a Stewardship Visitor, he or she will collect the information and return the survey to the Cathedral office. If you are completing it on your own, please place it in a sealed envelope and return it by mail or in person to the Cathedral office, or give it to a Steward at the Sunday Eucharist service.

The information in Part 2 of this survey is intended to be anonymous, although you are free to identify yourself if you wish. This information will be used in planning Cathedral activities and ministry. You may complete this part of the survey on your own and return it in the stamped envelope provided. Or, if you prefer, you may complete it while the Visitor is present and he or she will return it on your behalf.

Thank you for your time. Your feedback is important to us.

The Stewardship Campaign team 2016,
