Fact: “This is an epic policy test. But ultimately this is a moral test.”

Act: [Send an email](#) to your MP in support of Guaranteed Basic Income Bill C-273. Even better, follow up your email with a [letter to your newspaper](#) asking the editor to be sure to cover. Bill C-273. Everything you need is on the website.

Bonus: Those who intend to continue their advocacy into the Easter Season are urged to attend the presentation of Guaranteed Basic Income, after the 10:30 service next week. A Guaranteed Basic Income has been a priority for the Montreal Diocese during this COVID year. We are honoured to have as our presenter Sheila Regehr, chairperson of Basic Income Canada. Come show her that, as Christians, we care.
